Fieldwork Evidence Portfolio

JengaConnect Evening A Group 6 Phase 1 25 October 2026

1 Research instrument and consent

Completed participants: 0. Collection method: remote questionnaire and follow-up interviews. Target: at least 10 adult buyers, sellers or stakeholders relevant to building materials.

Questionnaire: Customer discovery form

Consent statement: Participation is voluntary. Anonymised answers may appear in assessed coursework. Names and emails are optional and excluded from coursework extracts and videos. Respondents may skip optional questions or stop. No recording is requested by the questionnaire.

1. What is your role in buying, selling or managing building materials?

2. Describe the most recent time you had leftover materials, or needed materials for a small building job. What happened?

3. Which materials and approximate quantities were involved?

4. How did you find a buyer, dispose of surplus, or find the materials you needed? Which alternatives did you try?

5. What difficulties did you experience? Describe any time, transport or money involved, if you can.

6. What checks or arrangements would you need before buying or selling reused materials?

7. What would an improved way of handling this situation need to achieve?

2 Fieldwork log

Completed participants: 0. Reserved participant codes are shown below; no completed fieldwork is recorded.

Code	Date and method	Stakeholder category	Consent and team member
P01			
P02			
P03			
P04			
P05			
P06			
P07			
P08			
P09			
P10			

Representative evidence

Questionnaire instrument: prepared. Completed response extracts: none. Consented photographs or recordings: none.

3 Anonymised findings

Completed responses: 0. Participant findings and quotations have not yet been collected.

Code	Actual experience or alternative	Difficulty or unmet need
P01		
P02		
P03		
P04		
P05		
P06		
P07		
P08		
P09		
P10		

Analysis record

Recurring finding	Supporting codes	Interpretation or limitation

4 Contribution log and video index

Member	Assigned role	Completed work and evidence
LUYOBYA VICENT		
YIGA AKRAM		
KWAGALA ELVIS		
MUGANWA EDRINE		
MUJUNI NASEEM		

Completed member contributions and role assignments: not yet recorded.

Video	Recording	URL and timestamp index
V01	Group presentation 15 minutes	Pending
V02	Fieldwork process and findings 5 to 8 minutes	Pending
V03	Substantive team meeting 10 to 15 minutes	Pending

Privacy record

The portfolio uses participant codes. Optional names and email addresses will remain in the restricted research records. Participant identities, private addresses and identifiable interview recordings will not appear in the videos. No recording or sharing consent has been collected.
